EVENT CHARITY

Imagine a world without elephants. A world devoid of their majestic presence, their gentle intelligence, and their profound connection to the earth. Sadly, this is a reality we face today. Poaching, habitat destruction, and humans exploiting them for entertainment are pushing these magnificent creatures to the brink and endangering their overall well-being and survival. Angels Among Us Foundation believes that it's our responsibility to protect and preserve these gentle giants that God has gifted us.

Join us for an exclusive golf experience with breathtaking ocean views and top shelf food and beverage at Pelican Hill Golf Club in Newport Beach. Celebrating over 25 years of majestic California sunsets, unforgettable rounds, and unmatched service, Pelican Hill is described as "some of the most spectacular in golf."
