ANNUAL REPORT

MISSION

Angels Among Us Foundation is a non-profit 501(c)(3) charitable foundation dedicated to helping those suffering from extreme and heart-breaking hardships, such as poverty, starvation, and disheartening abuses. One of the charity's primary goals is to bring relief to those suffering in dire living conditions in third-world countries, with a special focus on abandoned and starving children. Angels Among Us hopes to bring awareness of this sad, atrocious reality to those here in the United States; and, to raise funds that can improve the well-being, health, and quality of life for those who have been devastated due to the ongoing wars and violence that threaten them on a regular basis in our underprivileged third-world communities.

ANNUAL REPORT

FROM OUR FOUNDER

Dear Friends:

2022 was a highly challenging year. Undoubtedly, we were hit with very advanced lessons – and at multiple levels: an ongoing pandemic, a brutal war in Ukraine, and catastrophic hurricanes... to name a few.

Our intention at AAUF is to intervene and ease the pain and suffering in the world, and your support makes it possible for us to bring this relief to those in need. With your help, we can shift someone's circumstances and bring them out of misery, giving them better opportunities.

I cannot thank you enough for all your support. Please know how much it truly means to me and to those you are helping. When you give, you have given someone not just a meal, bed, or medical treatment - but also Hope. Thank you from the bottom of my heart for gifting those in need Hope for a better tomorrow!

Namaste,

Oracle Maureen

ETHIOPIA

ANGELS AMONG US | 04

The violence in Ethiopia rages while the Ethiopian government continues to hamper the work of the courageous journalists seeking to inform the world. Every day, skirmishes between the Tigray People's Liberation Front (TPLF) and Ethiopian Federal Troops spill into villages in the Tigray region of the country, causing the death of tens of thousands, serious injuries, the destruction of infrastructure, and widespread hunger.

Compelled by the love of Jesus, The Angels Among Us Foundation (AAUF) works with our neighbors at UNICEF to care for the millions of people experiencing hunger and homelessness.

WAR IN UKRAINE

ANGELS AMONG US | 05

Russia's violent confrontation with Ukraine is well into its second year.

Despite robust support of Ukraine from the international community, Putin-led Russia continues deadly missile strikes and infantry incursions into Ukraine.

Working with the Global Empowerment Mission and the American Red Cross, Angels Among Us Foundation channels direct assistance where it's needed most: communities, families, and individuals seeking temporary housing, emergency medical treatment, and assistance with basic needs.

IN 2022

Performance horses are forced to entertain audiences in unnatural conditions like rodeos, steeple chases, and races. Many of these beautiful creatures are malnourished and chronically injured amid abusive training practices. They deserve to run free.

Angels Among Us Foundation partners with PETA to grow public awareness about the ills of the performance horse industry, holding horse owners and trainers accountable for their injurious treatment of magnificent treatment.

\$6,520

IN 2022

STARVATION IN AFRICA

ANGELS AMONG US | 06

Over 250 million people living in Africa are impacted by hunger, with over 59 million children (5 and under) developmentally impacted by malnutrition. War and corrupt governing exacerbate an already desperate situation.

Angels Among Us Foundation continues to provide direct financial assistance to outreach agencies that combat hunger in the most impacted communities.
