Dear Maureen,

Thank you for your donation of \$960.00 on July 18 2017. Your help is deeply appreciated and your generosity will make an immediate difference to the work we're doing in Haiti. Every Bio-sand filter that we install has an immediate and long term effect on the health of the family using it.

On behalf of everyone at Clean Water for Haiti, thank you again for your generosity and support.

Sincerely,

Chris & Leslie Rolling
