Subject: Thank You from Los Angeles Mission

Dear Angels Among Us Foundation,

There are many different reasons why people turn to Los Angeles Mission. For many, it starts with a life-changing meal.

Thank you for your gift of \$880.00 to Los Angeles Mission.

Your incredible generosity will be used to provide help, hope and opportunity to people who are experiencing homelessness and are desperate for change.

We are grateful for your partnership and commitment to transforming lives. Thank you for everything you do to help give our most vulnerable neighbors a fresh start.

Sincerely,

Troy Vaughn
President/CEO
